President Isaackson was a marvelous man. His legacy in Finnish Missionary work is truly note worthy. His time in Finland was a time of significant obstacles. With his talents he found ways to get the message out and the work done. I have no doubt there is a significant reward for this great mission president.

It is with sadness that Luana and I learn of the passing of this great man. We also rejoice in his righteousness and his great accomplishments in life, which benefited greatly his fellowmen, in his pursuit for excellence in every part of his life. His influence will continue in his family and many others, including his missionaries and the people in his USA community and in Finland. We pray that loved ones and family will feel peace as wonderful memories come of him and his wife.

It is no exaggeration to say that the highlight of my time as Elder's Quorum president in the Pheasant Ward was the opportunity it gave me to visit with Arnold on a recurring basis these last few years. I loved those visits and I love that man. He loved to tell wonderful stories that always enthralled me, and he loved to laugh as well. I would hold his hand as he talked and will miss that experience so much. But I know he is so happy to be with Donna again. I already miss him.

We have heard the message about President Isaacson. He was definitely one of the great mission presidents in the Finnish Mission. Sister Mecham and I were fortunate to have followed the Isaacson‘s later as mission presidents in Finland from 1987 to 90. During that time we were fortunate to have their daughter Linda Isaacson serve as one of our missionaries. She was an outstanding missionary and an example of extraordinary missionary spirit like all of the Isaacson’s.

- Steven R. Mecham

He was a great person and a great mission President. He taught me more than any teacher could have, just by being who he was and treating me like an adult. I think of him often and have many fond memories of our interactions.

My heart is with you all at the passing of your Dad. Brother Isaacson was like a second father to me as he faithfully ministered to me as my home teacher for many , many years. He brought such a wonderful spirit of love and encouragement. I treasured the prayers on my behalf and the lessons taught. He was truly the supreme example of ministering. He will be greatly missed! My life was surely blessed by my association with him and sweet Donna. I am so happy they can be together again.

I was saddened to read the obituary in the Deseret News, late Saturday evening and realized I could have watched the funeral over zoom, had I read it on Friday instead. Dr. Isaacson was the Davis County Health Director (second time) when I was his secretary. He encouraged me in learning all the new computer skills he needed for the big charts he made of all services in all the public health departments in the State of Utah. These charts he presented to and discussed with Governor Mike Leavitt and others in the state. He was meticulous in the perfection of his monthly and annual Davis County Board of Health Minutes. I will always cherish the sound counsel he gave me frequently - "Stay Focused!" and "Put On My Own Oxygen Mask First!" My personal life at that time was almost overwhelming for a full-time working mother. My son David has followed his advice in obtaining his various degrees in the medical field he persued. To the family of Dr. Isaacson I want to extend my sincere condolences and sympathy. Losing a dear father, grandfather, and friend is one of the deepest sorrows a heart can know, But his memory lives on---a legacy of love that will always be with you. I hope that love surrounds you now and brings you peace. September 19, 2021 Janice S. Garner

I express deepest condolences to the family. President Isaacson was my first mission president and he was very instrumental in setting my feet on the right path to a great 2 years of my mission, and a lifetime of faithful service to the Lord. He was more influential than he could have imagined in the gospel successes of my kids and grandkids. He was a great man!
