

Edith June Carpenter Ward

September 4, 1927 ~ March 11, 2021

June was an instant friend. One of the most loving ladies I know. She taught me a lot about patience. I never heard her complain. She was always the first to say yes when needed. She will be missed. Glad I got to know and love her. Her family was everything to her. They are so blessed to have her as a mom. ❤■

- Teresa Cain

I knew June at church and at Zion Summit where she exchanged jigsaw puzzles with my mother. June was a member of our September birthday club, which goes to lunch together every September. I enjoyed conversations with June and missed her when she moved to Spring Gardens Mapleton last year. I'm sad to hear of her passing and miss her even more now.
