Darlene, Melanie and I just saw the notice for Ed. Some very important things slip through the cracks in our modern edge. I miss the old ways. We are saddened at your temporary loss and our thoughts are with you. You and Ed have been so kind and welcoming to us at all times. Although we haven't crossed paths much recently, we still feel close to you and express our love at this time. In our ward two Sunday's ago someone quoted the scripture, "If you have done it unto the least of these my brethren you have done it unto me." I instantly thought of Ed and his dad because of our shared experience with Sub For Santa. The miracle of turning groups of all ages loose in Toys R Us, lining the several carts up to be checked and then to find we were within a dollar or so of our budgeted amount. By the way, I still carry one of the receipts around in my scriptures to remember not only the joy of sharing but the sweetness of knowing that the Heavens were aware of our service and blessed it. Thank you for allowing us to share in those sacred experiences. As I mentioned, I thought of you when the scripture was quoted. When we got home, I pulled the receipt out of my scriptures and brought back the sweet spiritual experience. So although we missed the services, you were on our minds. We love you and pray with faith, blessings will be poured out upon your family. Scott and Melanie White
