From the time I met Ed when we were little kids (my mother, Dorothy Bockholt Harding, and Ed's mom were great friends) I felt he was a remarkably talented guy and a really good human being. I'm so grateful that I got a chance to catch up with him the week before he passed and share with him how much I appreciated him and his talents. Much love to everyone who was touched by his talents and his way of being.

I am so sorry for your loss.
