I am so sorry to hear of your dad's passing. I have great memories of him and times out west hunting deer. With him and fishing on various lakes. He was such a jokester and always encouraged me to put the dried worms in my dads peanut M&M's.

- Allen Gritton

Ed You were a forever teenager with a great sense of humor. I loved the look on your face when you were teasing. I appreciate your wisdom. Rest well young man

I am very sorry to hear of Ed’s passing. His mix of humor, sarcasm and gumption was unique, they don't make them like that anymore! :) Over many years, he helped pave the way for many young people to grow their careers and have fun doing it. I was lucky to have worked with him, and would not be where I am today without his support and friendship. He was a good buddy to me, my heart goes out to his loved ones.

Andrea, Mary and Judy, I’m so sorry to learn of Ed’s passing. He will forever be in my heart as my fun next door neighbor. Love to you all
