

Lorie Angela Black Longaker

July 27, 1967 ~ May 21, 2025

Our beloved Lorie lost her two-year battle with ovarian cancer on May 21, 2025 while at home with loved ones. She was born on July 27, 1967 to Gary Robert Black and Karen Kay Walton Black in Salt Lake City, Utah.

Lorie graduated from Bingham High School in South Jordan, Utah. Lorie went on to Utah State University where she would serve as activities vice-president and graduate with a degree in Human Resource Management and Information Systems. She loved USU and her Aggies.

Lorie worked for over 30 years in the family business, Condies Foods. She started as a teenager, laboring on the production lines, and would later work as the purchasing manager and eventually serve as a director of the company. Lorie had an industry-wide reputation for her integrity.

In her later years, Lorie would work part-time as a para-educator at Park Lane Elementary. She loved working with “Mrs. N” and helping children that needed extra attention. She worked at the elementary until her cancer diagnosis in April of 2023.

Lorie met her husband John Douglas Longaker, Jr. at a singles ward of their church. They were sealed in the Salt Lake Temple and their lives were blessed with four children: Abigail, Truman, Grace, and Luke. They were blessed to get through multiple hard times by paying tithing and trying to live the gospel of Jesus Christ. John will miss her every single day.

Lorie supported and encouraged her children to explore and develop interests and talents. She happily served as a cheer/soccer/dance mom to support the kids and coaches. The trips out of town to tournaments and competitions were always extra fun. Lorie rejoiced in her children’s victories and comforted them in their set-backs.

Lorie made lasting friendships. She loved and maintained contact with former college roommates, neighbors, work associates, and those she served with in church. They valued her accepting heart, happy nature, and willing attitude.

Lorie loved Jesus Christ and sought to follow His example throughout her life. She was a beautiful member of The Church of Jesus Christ of Latter-Day Saints. She helped many children, youth, and adults by accepting calls to serve.

Lorie is reunited with her loving grandparents who loved her dearly.

Lorie is survived by her husband, John and their four children: Abigail Longaker Service (Avery), Truman, Grace, and Luke. She is also survived by her parents and siblings: Scott (Lori), Traci Smith (Ken), and Brittany Uberti (Jeff).

The family wishes to thank all of the caregivers who treated her so well. Doctors Grandio, Barford, Hunn, and Melvin were a compassionate and skilled team. Lorie also had some extra special nurses at the IMC, Alta View, St. Mark's, and West Jordan facilities. Finally, the family was grateful for her friend and hospice nurse, Ben. He cared for Lorie for months in our home and was particularly attentive to her in the final days.

We would also like to thank the family, neighbors, and friends who shared meals, flowers, service, and love.
