Kay - I don’t know if you remember me, but as I saw the darling picture of you and your husband, I thought, “I know her!” I send my sympathy and love to you. Jan

Kay and family we are so sorry to hear of Ed’s passing. We had so much fun with you guys weather it be get togethers traveling going to the Pierce’s cabin. Although we haven’t been in touch for many years I will treasure all the fun times we had together. Ed was such a fun man to be around. So glad our paths crossed. Sending much love to all. I had the pleasure of working with Ed at Smith’s in the apparel department. Ed was such a huge uplift to the store and especially the department. So much so, that when he retired we decided his apron would stay on the hook he always kept it. His sense of humor is still missed around there. He had such an amazing voice for the announcements that were made that soon every department was bringing theirs to him to read. Thanks for everything Ed, we love you, rest in peace my friend.
