

Edwin Eldred Lauder

October 11, 1930 ~ September 14, 2022

So very sorry to hear of Uncle Ed's passing. My deepest condolences to his family. I have the utmost respect for this man, and he should be honored for a well-lived life. Memories flood back of his laughter, constant smiles, and kindness to everyone. I never witnessed unkind words but those of encouragement and support. Uncle Ed would always take the time to seek me out for a quick visit and inquire how I was doing. He had the ability to speak easily and personally. I always appreciated the time he spent talking with me. His love of his family was always evident he left little doubt about his feelings for them and his love of the church. Whenever I think of my dear Uncle, it has and will forever be a reminder of the affection and the warmth he shared with us and how easy it was to be near him. Oh, how I've missed him.

We are so sorry to hear of the passing of our beloved and lifelong friend. Ed was always a joy to be around and a great example of kindness, humility, faithfulness, and strength. We were truly blessed to have him and is wonderful family in our lives, and whenever we feel down, we have a treasure trove of memories to uplift our spirits. Our prayers of comfort and peace continue for loved ones and friends grieving the temporary loss of this good man--for, there is hope in Christ, who has risen, making it possible for all to live again and to be reunited.
