She was so sweet, so elegant and regal. What a wonderful woman I knew her to be and am sure she was just as exceptional as a mother wife and grandmother - I loved seeing her smiling face at church every Sunday. Lynn we

love you and miss you and mourn for your loss. You and all of the Basset family are in our thoughts and prayers

- Bobby and Heather Barron

I worked with Edwina in the Atlanta Georgia Temple when she was the assistant to the Matron. She was always so kind to each of us and to the patrons. She will definitely be missed but just know how much she was deeply loved by so many. I grew to love her while I worked with her.

- Celeste Obenchain

So very sorry for your loss. Prayers for healing, strength, and peace for you all. What a very special person she must be to have made a family like yours. As I'm sure you all know, our loved ones are never really gone. But sometimes it's nice to say and hear it too. In the immortal words of a wise pirate: "Death cannot stop true love. All it can do is delay it for a while." Sincerely, G&A Reese Family, CA

- Alison & Gordon Reese Family, Glendora, CA

As a missionary in Atlanta GA I was privileged to live in ‘The Barn’ on their property. It was some of my favorite memories. They would have us in their home and it was always so peaceful and we were always treated as family. I’ll always remember the laughter shared, the love and life advice freely given, and the countless ways they made the world gentler and brighter. May her gentle spirit continue to live on in all of us, bringing us peace as we celebrate a life so well and lovingly lived. Our deepest sympathies to the family during this tender time - Trey, Carli, and Nora Pender

- Trey Pender

- Mexico MTC

I am so sorry to hear about the loss of Edwina. She was a special spirit to me, possibly because her birthday was the same as my Mammaw's. She was very much like my Mammaw in so many ways. She was extremely kind to everyone. She was open minded and did not judge others. She called me last year on my birthday and told me that she had made me some of her Almond Roca. I can't express with words how much that meant to me. I was so sad when I found out they were moving. I talked to her after she got settled in Utah and I was happy for her. I will miss her. She was a true southern lady. Lynn along with the family will be in my prayers.

- Pam Smith

Edwina Bassett was truly an elect lady. Her faithful, joyous ability to love people - individually, one by one, just as they were in that moment - was a Christlike gift that drew everyone to her. And the lessons she taught me (both in and out of a formal classroom), especially about listening to and understanding the Holy Ghost, have become part of my testimony and character. I took them with me serving as a full-time missionary, as a leader in Young Women and Primary over the years, and as a parent and grandparent. She’s had a profound impact on my life, and I’m so grateful!

- LeeAnn Hainline Wilkes

Dear Bassett family, We are so sorry to hear about the loss of your precious wife, mother, grandmother, and great grandmother. She is an angel and has always been so kind and loving. What an example of how to live like our Savior. “All is well”. We love you

- Phillip & Terri Stacey

I'm so very sorry for the loss of your beloved wife and mother. What a wonderful legacy Sister Bassett has left behind in the lives of her children and grandchildren. I've been blessed to know several of the Bassett "kids" in one way or another, and I can truly attest to their strength of character and deep faith—qualities that surely reflect the loving, faithful example she and their father set. May your cherished memories and an understanding of the eternities bring you comfort during this sacred time of transition. You and your family are in my prayers.

- Michelle Dushku Olsen

When I think of Sister Bassett, I think of primary. It was there she taught me the songs about Jesus, that remain with me to this day. When I think of Sister Bassett, I think of the Sunday Christmas program, where she shared a poem she knew by heart, while Silent Night played in the background. When I think of her, I think of quiet strength. I think of someone who loved Our Savior and always testified of Him, not only with her words but her actions. I am forever grateful for her example in my life. Praying for comfort and strength during this time. Love, Kimberly

- Kimberly Garvin

Edwina was like a sister to me and a second mom to my children. She is truly a saint and we will miss her greatly. She and Lynn and their children have been such an inspiration to us throughout our years in California and Georgia. May the Lord’s choicest blessings rain down upon the Bassett family.

- Ann Andersen and family

Our thoughts are with you at this time in the loss of such an elegant lady. She was one in 1 million we wish you the best as you go forward with good memories of her and know that you will see her again. We are so grateful to be a member of the church of Jesus Christ of latter-day Saints. She was a wonderful wife, mother, grandmother, great grandmother, friend, and all other attributes. The world lost a devoted and sweet lady when Edwina left this mortal existence. Many lost a great friend. I can never remember when she didn't have a smile on her face...and when in conversation she made you feel like you were the only one that mattered in the world. Many prayers going up for Lynn and all the family. Buchanan Branch-Ward was lucky to have them as part of "our family" for so many years!

- Keith Hardin
