Cousin I’m going to miss you. Your smile and laugh and how you used to get on the table and dance lol. We have a lot of good memories. Thank you for always taking care of me where ever we went. I always thought of you as a big brother I never had. I’ll never forget all the good times we had. Give my dad Felipe a big hug for me I know you guys are reunited in the sky together. I love you cuddie. ■ Your heart and spirit will never be forgotten.

I am expressing this on behalf of my family & myself, we are at a lose for words. We can't express enough and we all send our deepest sympathies and are sorry for you and your family's loss. Having Pelon as apart of our family was a blessing, and he was a great father to niece's. I just want you to know he will be missed very much by us all, as I know he will missed by everyone in your family and all that knew him. Despite his struggles in his life Pelon always a heart and a good spirit and was always happy whenever I seen or heard from him. He had a vivid imagination, that was one of a kind. Goodbye My Brother, May You Rest Peacefully Now. Your Pain Is Gone, &

Struggles Are All Behind You. I'll See You Again Someday.

When I first met Pelon he was a toddler in diapers that's,when I first starting dating his uncle Felipe he would always tell his dad and his mom Felipe's novia is in the room with him.Lol. I seen him when he was a child and then his brothers and sisters I got to meet them when they were all children, I got to see him as a teenager and a young adult he would always go to our house and visit us and even have dinner with us sometimes, he was always around he was one of those cousins who was always around. His uncle Felipe would take him to work with him he enjoyed spending time with us. R.I.P. Pelon until we all meet again. You will always be in our hearts. ■■■■■
