Dear Ann and family, My prayers are with you during this difficult time. Gary was such a nice man, he'll still be watching over you

- Toni Simkins

Ann, Kristie and I are so saddened to learn of Gary's passing. He was a wonderful associate and good friend. He taught me many things. I am so glad that we had a chance to visit last year - although at another funeral. May you and your family find peace that will come - but not a soon as we would like. Love you, Bruce and Kristie Blanchard

Dear Ann, I was so sad to see Gary's obituary in the newspaper. What a wonderful man! You two have such an amazing love story. Over the years I've thought about you often and wondered where you were living. Last month while cleaning out some old boxes, I found my folder from our book club, complete with members' names and books read. There was even a copy of the Nancy Drew parody that we started writing. Such fun memories! I would love to get together with you to share precious memories and catch up on our lives since we last saw each other. Maybe sometime this summer we could meet and have a good visit. My cell number is 801-891-2617. If you could call, text, or email me when you feel like visiting, that would be great. I love you! Sue Burgon
