We loved Elaine and Gene. They and their home were always so welcoming to our family. We so love their wonderful posterity. We're sad that we can't make the services to pay our respects in person, and to get reacquainted with everyone.

- Mitch Barker

I treasure the years I lived in Granite raising a family and forming friendships that transcend time. I carry fond memories of the Young family and consider myself blessed by the years I spent living among you. Elain left a lasting imprint on my heart and I’m better for having known and loved her. May the legacy of her well-lived life bless, comfort and encourage you individually and as a family until you meet her again. Love to you all, Jill Nelson

- Jill Nelson

Elaine was a wonderful person. She attended the services for my granddaughter and daughter and I appreciated that so much. I am sorry I will not be able to attend her service but I want her family to know how fondly I remember her. Her son Ken is my son in law

- Sharron Williams

I loved Elaine and knew her well. Everyone in our little town of Granite also knew her and loved her. I worked at Turf Sprinkler in the summers of high school and college days, just like many of us Granite kids did. She was just so sweet and nice to everyone and was a truly good person. I know that she will be missed, but I’m going to talk to

her right now and thank her for everything she did.

- Chris Brimley

I had the pleasure of knowing Elain for only a short time as her dialysis nurse and she was such a sweet lady. Her family sure lucked out when they were blessed with her! She also gave the worlds best hugs which I will miss greatly!

We have had the pleasure of knowing the young family and being neighbors for many years… They have always been great neighbors to everyone and it has been a pleasure watching their beautiful children and grandchildren grow up. May God give you all comfort at this time.

A truly great lady noble in every way. We have admired the Young family ever since we moved here in 1976. They freely shared their love hosting many parties and events with their wonderful home and yard especially suited for get togethers every one was welcome. We will miss her but know she is in a better place and will continue

welcoming each of us as we return to our heavenly home

- Roland Susan Nebeker

We are so saddened to hear of Elain's passing but know that she lived a long, full and valiant life and she influenced so many people along her way. We will be forever grateful for her smile and her gentle and affable way with others. Her family has much to be proud of and grateful for in the legacy that Gene and Elain left them that will continue to influence them in the days ahead. We will miss her, but are happy for the joyful reunion she is undoubtedly having with loved ones on the other side. We love you and your family. Richard and Lee Ann Scott and Family

Dear family we will all miss the presence of Elaine and Gene in our community. They have always been such good friends and so willing to share their home with all. Elaine helped so many of the young men reach their Eagle award as a meiret badge councilor. We loved them and your family. George and Florence Conover

Dear Elain, you were a wonderful teacher to my children and you were a delight to work with as a fellow teacher. We had some great times together. So dedicated and full of love to everyone. You have always been missed at Canyon View and will continue to be missed forever. So many good memories. ❤■

Sorry I did not make it to tell you in person how much I loved your mother and can hear her laugh in my head. I taught kindergarten at Canyon View with her just down the hall in 2nd grade. She was fun to be around and a teacher I used as an example to follow. She will always hold a place in my heart. Had great faculty parties at her house. May God bless your family at this loss. Lots of love to all.

- Nancy Rose

Our family has been blessed by such a great lady. Parties, weddings, reunions. Her generosity was huge. Always smiling when I saw her. A very choice daughter of our Heavenly Father. Well done

Our family would like to express our condolences to the young family on the loss of Elain. Our family was lucky enough to enjoy a 30-year-plus friendship with Gene, Elain, and many extended family members. We miss them both dearly. We spent many wonderful summer days swimming in the pool and enjoying the lovely backyard of their home. Our daughter was in her second-grade class at Canyon View. Being in the class helped to shape her into the person she is today. I was also lucky enough to work with her for several years at Canyon View. Again, we are

deeply sorry for your enormous loss. But we are happy she is at peace and re-united with Gene.

We have known Elain for many years. She was always so willing to share their home and property with the neighbors, family, friends, and ward members. Some of our fondest memories in Granite have been at the Young home. She always taught primary and loved the youth and scouts. Elain was a gentle soul with the kindest and giving heart. We will miss her so much but feel thankful to have had the privilege of traveling through life with her. Love , Eddie and Jan

I want Elain's family to know what a wonderful teacher Elain was in Jordan School District. I taught at Canyon View while getting my master's degree, and was able to have my own children with me there, where my Heidi had the privilege of having her as her second-grade teacher. What a gem she was! She was so patient and helpful with her, and she thrived. Elain was so positive and Heidi loved her! May you be comforted and blessed with peace as you celebrate your mom's wonderful legacy.
