

Marcy Lynne Adams

June 8, 1969 ~ September 8, 2024

It is with sadness that the family of Marcy Lynne Hancock Adams announces the passing of our daughter, wife, mother, and friend on September 08, 2024.

She is deeply loved, and her unexpected passing has left a deep void in our souls.

Marcy was born June 8, 1969, to Lee and Marilyn Lavender Hancock. She was an only child and doted on by her family, sharing a special bond to her grandma “Mimi.” She is happily reunited with Mimi now talking about life experiences, the many sleepovers they had and the safety and love she provided.

She enjoyed shopping trips, traveling with her mom, and talking to her daily. She appreciated her dad for providing for her needs and sharing a common bond in watching Utah Jazz games.

Marcy attended Brigham Young University, majoring in Elementary Education. She went on to be a beloved elementary school teacher and coach for over 30 years. She championed all her students, but especially those with unique needs. She received her Master of Education, her Technology and Coaching degree and her Administration degree.

She loved teaching the children in primary and as a youth instructor with her husband Jon as a member of The Church of Jesus Christ of Latter-day Saints.

Being a wife and mother was her top priority. Marcy and Jon were best friends and sweethearts. They created eternal memories through travel, family Sunday dinners, celebrating milestones, holidays, game nights and supporting their amazing children. She was a great conversationalist, and the two had many throughout their 31 years of marriage.

Marcy loved being a mom to Alexa, Catherine, and Christopher. She was an expert on unconditional love, along with deep and meaningful individual conversations. She gave great advice, always wanting what was best for her kids. She loved to attend competition dance, football, soccer, and roller derby games always cheering for her kids. She was also a great dog mom, adopting two rescue animals, Cash and Mocha.

Marcy was preceded in death by her beloved grandparents Mildred “Mimi” Lavender and Ned and Melva Hancock. She is also survived by her parents Lee and Marilyn Hancock, her husband Jon and children Alexa, Catherine, and Christopher.

We thank you all for your love and support during this time.

In lieu of flowers, a GoFundMe has been established to help with her unexpected passing.

A Celebration of Life gathering will be held from 5-7PM on Sunday September 15, 2024 at Larkin Mortuary – Riverton, 3688 West 12600 South in Riverton, Utah.
