Wilson I send my deepest felt condolences to you and your dear son on Elaine's passing. I absolutely felt after reading her obituary that I knew her inside and out, however I really only knew you working at IHG in the early 2010s early mornings, side by side talking exotics and all that cool shit. I hope you find joy in your life still and if you ever want to go out to a concert, movie, Vegas, etc you know where to find me on FB my friend.

Elaine had a great time playing and hosting our poker games. She’s made so many friends in our poker circle . She always talked about starting up the games as soon as COVID goes away. Everyone is pretty sad that day never came! Elaine- you are going to be missed by everyone you crossed paths with. Our thoughts and prayers go out to Billy and Bobby.

Dear Wilson, please accept my condolences. This was such a wonderful tribute to Elaine's life and the roll you, her son, family, and friends played in it. Elaine was a beautiful person inside and out. I'll always remember her say with my wife and I during our cousin Blaise's wedding. She had so much energy! Elaine and my wife danced all night. She will be dearly missed. Eternal rest grant unto Elaine , O Lord, and let perpetual light shine upon her.

Hey Wilson, So sorry to hear of Elaine's passing. You two were very devoted to each other, and it sounds like she is in a much better place now. Although we haven't seen each other in a while, I often think of the great times and trips we had together, and of course you and Elaine's fun, fun wedding on Long Island with the handwritten invitation on notebook paper. Hang in there, buddy! James

Elaine was definitely a very adventurous and vibrant woman! I worked alongside her and her hubby @IHG reservations for 6 years. They were quite a pair of true New Yorkers, right down to the bone! I loved hearing the many tales of their travels, dressing up for concerts and Elaines many movie/tv experiences. They gave me a pair of shell dishes that I still have and enjoy to this day! When I use them, I can not help but smile with great memories of their laughter, wit and sharing funny stories of the many unique phone calls from IHG guests. Will, I shall never forget when you gave me the best compliment “evah” about my curly hair when I arrived to work during rainstorm, and complete with your beautiful New York accent, “Betty, you got wrock-stawr hair”!! ■ You & Elaine were a joy to work with, a pleasure to know and I truly am saddened by the loss of your sweet lady! I pray you and family, will be comforted by the Scripture, found in Gods Word, Revelation 21:4 “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.” May the “God of all comfort” wrap

you in His loving arms. Take care, Betty McKendrick

Elaine! Who could match my friend at scrabble? No one. Who could dress up in period piece clothes and pretend? Who was always kind and understanding, loyal, gentle and strong? Elaine was all this and more. Elaine didn't bicker or put others down, she accepted others for who they were. She was patient and genuinely happy. Her family came first in her life and she always kept optimistic. Her chuckle was delightful and she liked to laugh. I remember one time in particular when Wilson was showing us his card tricks that she said, in a very understated way, Wilson I don't think you're playing with a full deck. I think we laughed all evening over that one. Elaine was a joy to be around and to work with. She did like her job on the set and always gave it her best. I will miss her very much. Wilson, we loved Elaine so much, thank you for being the love of her life. She deserved the best and lived a very full life because of you Wilson. Elaine we love you!

Hi Wilson, What a beautiful tribute to Elaine! Even though I've known you both for many years, I now know so much more about you both. Your love and commitment to each other over the years has been truly inspiring. You took such good care of Elaine! She indeed had one of the worst cases of IBD I've ever seen. Few people with her degree of illness are so lucky as to have someone like you help them through the miserable ups and downs of the disease. Knowing you and Elaine has been such an honor! Thanks for all you have taught me and thank you for your friendship. Andrew Heiner
