

Elaine James Homer

November 16, 1939 ~ October 24, 2021

Aunt Elaine was a great lady! She always included our kids for swim parties and rodeos at the cabin! I am thankful for all the great memories we have with your family!

Russ, So sorry to hear of Elaines passing. We remember her as a gracious hostess whenever we visited your home for office parties. May the Lord grant you peace and comfort during this time of separation. Thanks for placing your trust in me during my Church career. Best wishes to you.

Elaine always made me feel loved and welcomed in her home. She was a great example of a mother-in-law and a grandma. I have many lovely memories of her. Some of my favorites were her teaching me how to make egg casserole on Christmas Eve before their Palmyra mission and a long two hour plus conversation we had on the bank of Jordanelle while everyone was boating. She was also such a good sport while being a grandma. Pulling kids in sleds up a hill over and over at the cabin and playing Rock Band on Christmas day. Anything to make her grandkds happy she would do it. She will be greatly missed. ❤■

Russ, I am saddened to hear of Elaine's passing. As a Phelps cousin and due to the age difference, Elaine was always remembered but only a periodic guest in my life due to her travels, her aspirations, and her love of life. She accomplished much and for that her family and friends and her Savior are grateful. May the Lord bless you and your family.

Russ and family. Tim and I were saddened at Elaine's passing. What an awesome woman. I got to get to know her quite well in The Danbury Branch/Newtown Ward and will remember those memories fondly. We would have been at the funeral but we were out of town. Our thoughts and prayers are with you. Much love, Tim and Bonnie Rees

Russ, I just saw the obituary for Elaine. I am so sorry I did not see this sooner. Please accept our condolences. We (Ann and I) both appreciated our friendship with you in choir and the few times we had connections with Elaine. We were so proud to be "related" to a family as amazing as yours. We hope you are doing well. If you have time to contact me through my email, maybe we could set up a lunch and chat. Our love and best wishes to you and your kids. Brian
