December 16, 1924 ~ December 23, 2021

Ron (and all the family) I send my love and my sympathy to you at the passing of your sweet mother but oh what a joyous reunion she and your Dad are having. I have SO many fond memories of your Mom and Dad and will be eternally grateful for their influence in my life. I very much want to attend the viewing but since my driving skills have become increasingly less I depend on family to get me places. Hopefully I will be able to work something out with one of my sons. If I am not able to make it - please know that I will be there in spirit.

I will always miss this sweet soul. She always treated me like one of her own and I'm so grateful. May you all be blessed with wonderful memories and the comfort the Lord offers through His great plan of happiness. Love you all.

Dear Family,f I listened to the weatherman...if I were younger, I'd be right there with you now! This evening I so wanted to represent my wonderful husband, Keith, the father of five sons, and Elaine's only sibling. I simply cannot drive at night to be with you. Just knowing they are together now is comforting. I have such warm, loving feelings when I think of your Mom. Keith, Elaine and I spent many a time together playing cards. She always was sharp as a tack 'n such fun to be with. Many deep conversations occurred over dessert at the end of games. Elaine's example of kindness, patience, firmness 'n love was who she is/was, always will be! Tis been my honor to have known her through the years...and forever-❤
