How I loved Elaine. So many memories we shared. The heartache of Christie - her little angel- and the joy of watching Staci and Jenny play tennis and their special friendship grow. Fred and Staci my heart is full as I think of your beautiful family and the closeness you all shared. Even though the years and life often make it difficult to stay in touch with friends we love I will always feel a special bond with Elaine. I know I could pick up the phone and we could share the things that matter most and laugh and joke as we always did. The only consolation I have is thinking of the sweet reunion she must be having with Christie after all these years. Love to you and may you find peace and comfort. Love Liz

We are so sorry and shocked to hear about the passing of Elaine. Matt knew Elaine for just a short time and knew of my long time friendship and all the memories that we shared. So much golf and so much fun. Just a few, coming in the money in the Madison mem-guest, fishing trip to Colorado, golf at Old Baldy by private jet, and so much more at the Vintage. May you find comfort in the cherished memories you shared together. Love, Cindy &Matt

I'm very sorry to hear of the loss of Elaine. She once gave Marino a bag of gorgeous clothes too small for most people, but me. (I think Mr Marino mentioned me to her), I had small small children at the time, recently single, and poor as a church mouse in those days. Marino handed them over to me and it was like Christmas. I never had the opportunity to thank her in person. ■

- Maria Broman

I’m so saddened to hear about Elaine. I so enjoyed playing golf with her at DMCC and enjoying time with her off the course as well…. I was do sad when she moved…. We visited her in Newport, but as time passed…. We eventually lost touch…. she was never out of my thoughts…. This news leaves me with a heavy heart…. But very grateful to have been one of the lucky ones to have known her. My sympathies to you all.
