*Sept. 8, 1925 ~ July 4, 2021*

Remembered the close family gatherings we had as young kids. Elden was always fun and outgoing. So glad the brothers are all together now! And it will be a nice reunion when we are all together some time in the future. I would like to spend more time with Benjamin and Lora. Love to a great family!

I send my love and long distance hugs to all of this wonderful family. Being friends with Cindy, allowed me to enjoy many happy times in your family's home, and I shall never forget that. I loved reading about Elden's life . . . things I did not know but will now remember about him. You were fortunate to have him for so long on this earth. May your sorrow turn to hope and joy, knowing that you will be with him again . . . and forever. I'll be praying for you as you go through this time of grieving and letting go. I'll be thinking of you and praying that all goes well on the 12th of July as you memorialize the life of your dad, grandpa, uncle, brother, and lay his body to rest.

I worked with Eldon on the recommend desk at the Salt Lake Temple for several years before switching to being an ordinance worker. I always enjoyed spending time with Eldon and the discussions we had. My sincerest condolences to his family. Russ

Steve, Jan and Family, So sorry for your loss. Elden was such a great man. I will never forget his kindness to my children and I when I was widowed. One night I found myself with three or more pans in my living room collecting rain water from the ceiling. Somehow it got back to Elden and then early one morning I woke up to loud noises on top of my roof. A new roof was installed for me at no cost! it was a blessing I will always keep in my heart. He was such a fun man to be around also. I really appreciate the Booth Family. Thank you, Tammy Parkinson
