Myrtis & Family, We are sad to here of Lionel’s passing, he was great person and I know the Lord has more for him to do on the other side. I remember when he took time to help with my sisters (Sondra Le-Roy) funeral 20 years back. It really meant a lot to our mother in helping her deal with the loss of a daughter. May God bless you & your family. Love Ed Jr & Darline Aucoin

A very fine man. I knew him many years ago when he was working at East Carolina University in Greenville, NC. I was friends with his son Dana, who moved to Utah about 1980.

Just wanted to let you know that your family is in our thoughts and prayers at this time. I am so happy that I was able to know Elder Kendrick. I always remember him as soft - spoken and funny. His eyes twinkled when he smiled.

Bishop Kendrick is one of the finest people we have ever met. He loved our family as our own and saw in us at a pivotal time in life more than we could see ourselves in our small but growing family. His love and service has multiplied immensely and around the world through those we have touched as we tried to practice what he taught and modelled. Our love to Myrtis and your whole family! God bless you with His grace!

- David and Dawnell Porcaro

The Ed Aucoin family is sorry to hear about Lionel. I have very fond memories from my younger days seeing the entire Kendrick family and also at Aucoin reunions. I know my mom and dad thought so highly of Lionel. Our prayers are for comfort during this time.

Our family’s love and prayers are with his family. I was blessed to work for few months as a secretary when Elder Kendrick was serving in the Philippines Area Presidency. His kind, humble, loving and Christ-like demeanor will always be remembered. We love you, Pres. Kendrick! Till we meet again!

It's with heavy hearts that we say good-bye to a great spiritual giant. We loved Bishop Kendrick. We loved serving the Lord under Bishop Kendrick as his Inner City Missionaries for the Eighteenth Ward in the Ensign Stake. He was the kindest, most loving man of God we have ever had the pleasure of getting to know in this lifetime. After our full time mission to the Philippines, we had a ritual luncheon meeting frequently to share with Lionel and Myrtis our common love of BLTs. He loved BLTs and so did we. He will be greatly missed and loved by all. God bless and keep you till we meet again dear friend.

Sister Kendrick and family I send you my deepest abiding love and prayers, at this time for your loss of a man that I love so much. I was blessed to serve under such a wonderful mission president who taught me so much about the gospel of Jesus Christ. I will ever be in debt to Him that taught me so much about people, love, myself and the gospel and my testimony. I know without a doubt he has passed on and he is with his family. He’s in the spirit world and I know he will still see after his family here. I pray for the spirit of the Lord to be with you sister Kendrick and your family. I love y’all so very much may the Lord bless you. Brother Worth Smith from Liberty, Mississippi

I am so saddened by this news. I owe so much to this marvelous man. He was my Branch President, right after I joined the church at East Carolina University. He shepherded and taught me and was like my father away from home,. His kind, wise, loving counsel was an immense blessing to me, as he always took time to listen to me and gently give advise. I will eternally be in debt to his nurturing me along in the Gospel.

- Carol Pacheco

I give my condolences to Sister Kendrick and the family. President Kendrick was such an inspiration to me. He always made me feel that I was better than the best! My thoughts and prayers go out to the family!

- Chris Taylor

So sorry for your loss. He was an inspector to all who knew him.

- Jackie Brown

We offer our condolences to the family and know Elder Kendrick is writing new heavenly hymns. What a wonderful man and family. I met him randomly with him grand daughter Ellie back during University. He and Myrt were so kind and welcoming. I got a copy of his book then and just got another copy. He was a son of the south and we could slightly hear it in his wonderfully thorough general conference teachings. May we have more disciples of Christ in our lives like Elder Kendrick. God bless you.

- Allen Hullinger family

My condolences… I love President Kendrick very much. I had 5 mission presidents on my mission and President Kendrick was the only one who made me feel I was of worth, and that I had something to contribute. All of my missionary cares always melted the minute I saw him and I always felt strengthened when we parted ways. He was a magnificent man and I will always love him.
