Dear Ann, I was so saddened when I heard from Elder Watson the passing of your amazing husband. I pray the lord's blessings on you and your family as you go through this difficult time. I love you dearly. You were and are a tremendous example to me of devotion and service to your Heavenly Father. Kindness, compassion, etc. The list could go on and on and on. I know your family will rally around you. I hope to drop by for a visit. Not sure when that will happen as I'm unable to drive that far by myself due to pain meds that make me want to nap all the time! :) Love and hugs, Paula P. Packer

I worked with Paul at Church Headquarters. I am sorry to miss his services. He is one of the truly great ones. I found him highly capable in any assignment. We worked on Temple assignments across the world as well as other matters. May the Lord bless Ann and his family as you adjust to having him on the other side of the veil. Bruce Olsen

Tried to access the Link for the services by zoom but were not able to connect. We really wanted to watch the service and we were sad to not be able to do so. I have always had a profound and deep respect for Elder Koelliker and we were blessed that he was part of the family and a cousin to Jolene. We wanted to attend but we have both tested positive with Covid so that was out of the question. Blessing to all in the family.

Dear Ann, We express our love to you and your children at this time of your loss. Paul was a great man and a dear, special friend. We are sad we were unable to attend the viewing or funeral. We will come by and greet you personally and look forward to that visit. With love, Craig and Jil

Paul spent many a summer at our home in Vernal. Being one of the "little girls " I wasn't as close to Paul as the older kids. I remember his summer visits and how he was always very kind to me. A favorite memory was when he was here in Lubbock at the temple dedication. He was very busy ushering President Hinckley around but paid attention to us and gave us his time. Another special time was in the Salt Lake temple with Paul as he taught me and my siblings about that beautiful temple. Also, true to his nature, he was one of the first to call and offer condolences when our son, Chad passed. I am grateful for the time we had with Paul and Ann at the last Bingham sibling reunion they came to. Paul possessed the loving nature of the Olson family. I feel blessed to belong to such a wonderful family and look forward to the time we will all be together again.

I'm sorry I didn't write sooner. I was unaware of Elder Koelliker's passing until I came across something today. I want you to know that I loved working with him in Africa. He was very inspiring. I've been called on a mission, the Utah Salt Lake City Headquarters Mission and will enter the MTC next month. All my love. Chris Fee
