

Michael George Ross

February 11, 1961 ~ June 2, 2023

On June 2nd, 2023, Mike passed away due to a tragic accident on his e-bike. Mike was living in Park City, Utah at the time. He chose Utah so he could be close to family and friends and enjoy the great skiing and beautiful outdoors. Mike had an extremely outgoing and charming personality which resulted in a successful career in sales and most recently had become a licensed Financial Advisor. Physical fitness was important to Mike, and he started every day working out and shooting hoops at his local gym or riding his bike. While we are devastated by his loss, we are comforted by that fact that he was doing what he loved on a beautiful, peaceful morning, with the sun shining down upon him. Mike was preceded in death by his parents George and Patricia Ross, his beloved sister Deborah Ross (Bugosh) and beloved nephew Nicholas Straatsma. He is survived by his brothers Patrick Ross and Woodie Ross (Jo), sister Michele Ross (Brad), nephews Sean Straatsma (Dawn), Brian Devlin (Andrea), Nicholas Bugosh, and nieces Katie Michele Devlin and Alexandra Holmes (Blake), and several great nieces and nephews whom he adored. We will miss his warm presence and infectious smile.
