Our thoughts are with Marcy and all of the family. Beth was a wonderful neighbor and friend and we cherish the times we spent with her.

Your Mom was a lovely lady. She will be missed. You all cared for her so well. If we can help in any way, let us know. You are in our hearts and minds as you process through this loss.

It was my pleasure to meet and help take care of such a beautiful lady in side and out side. I will remember fondly are talks at the kitchen table. She was kind and gracious , always concerned if I had enough to eat. I know God has a place for her in his Kingdom. May she rest there in peace. Love Maddie■■

She was so pleasant and hospitable. 3 of my family visited Charle, and Beth opened her home to us. It was a great visit as she warmly welcomed us. RIP

My condolences to the Sanchez family on the loss of their mother and Grandmother. Beth was my 1st cousin. I have many memories of her when I was young and she and the family would come over to my parents' home on 5900 S. I remember summer barbeques on the patio with Beth and her family. I also remember how she treated and loved my brother Steve. Stevie would go visit her in Scottsdale, AZ. I remember seeing her at many Oliver reunions also. The beautiful book she recently made of her father Chick Oliver was just amazing. She took te time to put this together. I will cherish this forever. I know she is reuniting with her Father and Mother and sister, Barbara and many friends and relatives. It was honor to know Beth. I will miss her very much. XO XO

You will be greatly missed, my friend. But I'm sure George & Mom will be showing you around & the party of your relatives will be a joyous occasion. You were & are loved by many & have left a proud legacy of family & friends who have good memories of you over many years. I am just sorry we never got a lot of those memories written down in your life story. I would have enjoyed spending just one more summer with you in Utah. Thanks for just being you & sharing so much family joy with me. Till we meet again, enjoy Heaven....
