

Paul Edward Meyers

April 4, 1941 ~ September 6, 2023

Paul Edward Meyers, our dad, grandpa and great grandpa, finished his work on this earth and peacefully passed through the veil on September 6, 2023. Paul was born on April 4, 1941, to Frank Annil William Meyers and Leone Irene Johnson in Salt Lake City, Utah. He graduated from Granite High School.

Paul married Agnes Carol Hall on November 17, 1961, and together they had 3 children, Kimberly, Stacey and Russell. They were later divorced. On March 2, 1974, Paul married the love of his life, Tamara J. Mills, who had two sons, Rick and Michael. Paul and Tam together had their son Christopher. Several years later, they adopted their two granddaughters, Sonya and Amanda.

Paul had a career of truck driving. He worked for Interstate Brick Yard for over 40 years as well as Ryder and Albertsons. He taught all of us how to work hard. Paul was also very talented in his woodworking skills and could make anything he put his mind to. He was a member of the Church of Jesus Christ of Latter-Day Saints. Paul and Tam were sealed for eternity on their anniversary in 2014.

Paul is survived by his children Kimberly Sundberg, Rick (Nanette) Belew, Stacey (Ray) Baird, Michael Belew, Christopher (Marci) Meyers, Sonya (Travis) Cherrington, and Amanda Wightman, 21 grandchildren and 25 great grandchildren. Preceded in death by his lovely wife Tam, parents, brother Russell Kay Meyers, and his son Russell.

Our family would like to thank Paul’s nurse Joyce and the many others for their loving care the last several years of his life.

Funeral services will be held at 11:00 am on Monday, September 11, 2023 at the Little Cottonwood 5th Ward, 6350 South Rodeo Lane, Salt Lake City, UT. A viewing will be held on Sunday evening from 6:00 - 8:00pm at Larkin Sunset Gardens, 1950 East Dimple Dell Road, Sandy, UT. There will also be a viewing on Monday morning from 9:30 - 10:30 am prior to the services at the church. If you would like to watch the recorded services, please click on the blue "Watch Services" button above.
