Paul was born on October 24,2006 in West Valley City, Utah. Being the only boy in a family of seven girls, Paul held a very special place in his mother's heart. Paul also had many aunties and uncles who were truly blessed to have him in their lives to love and care for him as their own. Paul was the epitome of family and considered all his first cousins on both sides his brothers and sisters. Paul's deep roots and love for WVC made him an avid Hunter Football Player, starting as a young boy all the way to high school. His greatest accomplishments were on the field, throwing touchdown passes, especially against his favorite rival team, Granger. Paul had many hobbies, but what brought him the most happiness in life were the simple things like hanging out with his sisters and attending family functions.
