I was only 17 and fresh out of high school when I answered an ad and became roommates with Ellen and her cousin Lorraine. Little did I know that would be the beginning of a lifetime friendship, almost 60 years ago. There are no words to express my love for this sweet soul. My love to her beautiful family. Deloy, the way you cared for your dear wife through this terrible illness was amazing. You and your children and grandchildren are truly angels. She was so proud of her family and I know she will be watching over you all. Her beautiful smile will forever be in my heart. My sincere sympathy to you all. Sue Staley and husband Ken.

Dear Shaw Family We are saddened by the news of your beautiful, sweet wife / mother's passing. We figured today that we have known Ellen 30 years. Most of you for the same time. We have made many cheese steak subs for you all. Ellen was always kind and ready to hug. She came in with her "Red Hat" gals a few times and was darling with the hat! She watched our 2 sons grow up and always complemented them on being great young men. Your family

will always be in our hearts. May your wonderful memories turn into treasures as you remember Ellen. To our beautiful friend May you fly high and pain-free as you watch over you loved ones and friends. With light, love and prayers RIP Ellen. We will miss you♥■ With Sincere sympathy and love Ray, Carla, Landon & Corbyn Quintana (East Coast Subs)
