I know she's with Jim and Kay

I am one of her brother Claude's many granddaughters. As a little girl, I absolutely loved when I saw my Great Aunt Louise at large extended family gatherings. I remember thinking she was just the coolest, smartest, most interesting and unstoppable lady. I was so glad to see her at my grandmother Bonnie's funeral recently. An unforgettable person! My condolences to the many out there who loved her.

I am one of Claude and Bonnie's Granddaughters (Robb's oldest) I have so many fond memories of "Aunt Louise" - I always enjoyed seeing her. As an adult I always loved seeing her comments on Facebook. Sending prayers and love at this time to all her family. I Love you Aunt Louise ■ Til we meet again ■
