So sorry to hear about Ellen, she was a very friendly person and a nice woman. Ellen was the first friend I made when my husband and I moved to Utah from Calif. 18 years ago. We moved into a rental across the street from her and Don, we ultimately bought a house in Cedar City and for the last 18 years maintaining a relationship through bunco. My deepest sympathy go out to Don, their daughters, grandchildren

I was so sorry to hear of Ellen's passing. She was a very caring and loving person. I always enjoyed working with Ellen at Associated Foods, and I still have the quilt she made for me. She was a great friend to everyone she met. Please share my condolences with the family as my heart goes out to each and every one of you.
