July 16, 1985 ~ November 3, 2021

Dear Greg & family, I am so sorry for the loss of your son Elliott. He seemed to be an amazing guy just like you. I hope you are taking good care & have loved ones around you at this time. Hopefully we may run into each other one day. I have often wondered about you & still so miss your Mom. Take good care ! Thinking of you, Mary
