Jayme and family, I am so sorry for your loss. She will be truly missed. We enjoyed seeing her at softball games and chatting. She was a remarkable woman. Sending prayers of peace and comfort. Matt, Arlene, Stephanie and Mychaela.

I have worked with Elma's daughter Holley for over 17 years. Even though I only met Elma on a few occasions, I know that she was a wonderful Mom and Grandma. Holley has always been dedicated to her Mom and her family. My heart goes out to all of you. And I hope you I will find comfort in supporting each other through this time of grief and loss. My condolences to you all. Kerry Grossaint ■■■■

Though I did not know your mom, I do know you Holley, and as amazing as you are she must have been even more so to raise such a lady. Our hearts are with you as you say goodbye. Know that she will always be watching over you until the day you can reunite - Blessed Be

With this sad news I am walking down memory lane...our childhoods were linked as cousins...we had many sleep overs, trips to the store for treats..., family reunions would not have been fun without Elma and Shirlene ...so many softball games over the bridge and in the pasture at Gramma Parkers farm.....I remember a cute little girl named Leila that Elma was taking care of. I am grateful for you all and I am truly sorry for this great loss. Sending lots of love to Shirlene and all of the family for this great loss..... Ellen Simonsen Michals
