

Rick Lynn Withers

February 7, 1954 ~ April 17, 2025

The Man, The Myth, The Legend: Rick Withers, has been called to his final hunting grounds. He was a beloved Husband, Father, Grandpa, Companion, and Friend.

Rick loved going on adventures with the grandkids, watching movies, attending their sporting activities and going hunting with his son, nephews, family friends, and grandchildren.

He spent most of his time outside working on his garden, watching the birds in his yard, and tinkering in his garage. When he wasn’t outside, he was watching Utah Jazz basketball or BYU football games.

He enjoyed cooking steaks and potatoes, especially for friends and family, drinking Coca-Cola, snacking on pickles and oranges, and ice cold Coors Light (after 5 pm of course). In his honor please partake of any of those and keep his memory alive.

Although Rick could be a stubborn hard ass he was loved dearly by all who knew him.

He was preceded in death by wife Teresa "Terry " Withers, parents Melvin and Beverly Withers, sister Kristie Withers, Clell and Jeanette Mortensen, Marlene (Randy) Riser.

He is survived by son Jeremy (Liz) Withers, daughter Neisha (Brett) Ostler, Grandkids: Brayden Ostler (Lacey Cunico), Maycee Withers, Logan Ostler, Korbin Withers and Teresa Ostler. His brothers and sisters: Randy (Lynette) Withers, Rusty Withers, Cindy (Scott) Durrant, Connie (Kevin) Lund, Wyatt (Connie) Mortensen and his many nieces and nephews.

Join us for an open house celebration of life at Rick’s residence on 5/10/25 from 2-6 pm.
