Please accept our condolences of your mother's passing. She was so dear to us and always made time to share a laugh or two. Although we lived a distance away, she always made us feel welcome and loved in her presence. Our Aunt Lynn was a very special lady and loved by so many yet she had this talent of making you feel special and was always a great listener. She will be sorely missed, however, she will always resonate in our hearts forever. With much love to all of you, Anne & Jackie

Dear Schroader Family - the Allen's of Florida are all wishing you strength at this time. While Harold & Carol were courting, 18-year-old Lynn accompanied them as a "chaperone" on a trip to the Grand Canyon and the southern UT parks. And she had heartfelt comments at Harold's funeral in 2008 about how proud she felt when her "big brother" came home in uniform the first time in 1945. I enjoyed talking with her at length in 2019 at Curt's funeral. Just a wonderful soul! Monty Allen (along with her sister-in-law, Carol Allen)
