Emma Lou was the nicest most loving person on the planet. Down to earth and wise as can be. Grateful to have known her and be her friend. Nobody sit in her and Frank's seat on the back row by the door in the chapel.

We loved and adored Emma Lou! She embraced us immediately when we moved into the neighborhood. We will forever be grateful for the love she extended to us and her friendship along with her family. Much love, Kent and Ann and family.

I was so sorry to hear about Emma Lou. Our family loved the Jowers family. Our boys played ward basketball together. The Jowers were wonderful neighbors and friends. She will be missed! I'll always remember her cheering on her boys at all the games. She was their biggest fan! Mayrene (and Romney) Stewart and Family.

I met Emma Lou on her walks. She was always so friendly, full of life and in a hurry. I has missed seeing her. I know she is blessed and with her family and her father in heaven. I'm sure she is missed by all who knew her. My condolences to Frank and to her family and friends. Marilyn Shearer

Dear Frank and family, I am so saddened to read of the passing of your sweet Emma Lou. I know how much she will be missed and how hard it is to lose your mate and continue on with life having the void her going leaves in your hearts. You are in my thoughts and prayers as you deal with her loss. I am spending this spring in St George so was unable to attend the services but am sure it was beautiful, May the Lord bless you all as you make your adjustments in this life without her. So wonderful to know there will be a great reunion in the future.

I love you Mom! I miss you so much. You were truly the BEST of the BEST, a true Angel on earth. Thank you for always loving me unconditionally, and always being there for me. You gave me an amazing life.

We send our deep felt sympathies to you Frank, our long time friend. You and Emma Lou were very special to us over the years. We miss those days of association with you and Emma Lou. Art often spoke well of you and as you know Emma Lou and I (Nelda) went back to the Washington DC days . We hope the best for you at this time of lost. We also send our condolences to Kristine, Kirk and Kevin and their families. May the Lord comfort and bless you and your family.
