Oh Conie so sorry for your loss she’s already getting ready to make some chocolates in heaven for sure■

- Deb Sutherland

So sorry to hear of your mom's passing, what a comfort to know where she is and who she is with. I remember so many years of spending time in their home helping with her chocolate making, I learned so much from her. My Love and condolences to the whole family.

What a great 45 years of knowing your Mother & Father! Erma was a great influence on us in many ways. Her smile was infectious. It seemed to us her blindness was limited to simply not seeing another persons fault but her special insight was well known. She felt bad about losing her clarity of sight but she never missed anything that mattered. It never slowed her down much but we know how delighted she is being able to see through those eyes. Sherm was impressed that Keith has to be in his heaven now that his lovely wife is again at his side (but we can imagine Keith must have asked her why she didn[t bring a batch of fresh chocolates). Condolences to your large family for your temporary loss. Love and take good care of each other. Love and Respect from our family.

I'm so sad about your mom's passing. My father too had gone blind and so I understand when you say that you're glad she can see now. When my dad passed I was so grateful that he would be able to do all the things that he had been able to do. I know your mom and my dad will be grateful to see each other. I am so grateful to have your mom as my cousin. She was such a great example. I loved her souch■❤■■■■

Dear Myers's family, I have wonderful memories of your hard working mother. I was thinking about how we would sit out in the front yard and help get the green beans snapped right for canning. I remember vividly her feelings about pierced ears. " If the good Lord would have wanted holes in your ears he would have put them there." She was such a beautiful lady. I loved visiting your home whether it was to hang out with Jeanne or just following my mom over for a visit. I offer you all my very deepest condolences. I wish I could be there, however, I am in Henderson, Nevada and not able to drive that far. I love you and you are in my prayers to be comforted t this time. With much love, Dianna

Dear Aunt Erma, Just want to say that you are a wonderful lady and I will miss you dearly. I'm glad we are related and am thankful for all of the good times I've had with you while my family came to visit you and uncle Keith. I'll never forget the yummy taffy that you made for us. I look forward to the day when we'll meet again. With lots of love, Dana Myers Dube

We have many fond memories of Erma, Keith, and their family, from vacation trips Ron took with his family when he was a kid growing up, weekends Ron spent in Salt Lake when he was in college in nearby Provo, trips with our own family to Utah that included demonstrations of making taffy at the candy store where Erma worked, parking our tent trailer in their driveway when we brought our kids to/from college in Utah, comparing family history notes, and reminiscing good times with Erma and her family in their home. She had a great love for all of her family and will be greatly missed. We send our love and compassion to all of her family and friends at this time of loss and pray that you will feel peace and comfort from having known Erma and feeling her love and influence in your life. Look forward, as she will, to the grand reunion that someday you will have with her and all of your family.

Relationship im the 2nd oldest grandson/child of Ron and Chris Myers, Some thing that I learn in institute on Thursday that can bring comfort in times of these, our relationships of how we left they will be the bless our lifes in comfort under the Saviors direction. I felt family members who have passed on that do such for me and I believe she can do so for those who ask and the lord sees fit. With love and care, remember you are always loved, and watched for, the lord knows all, you can trust him always, you will make it, love you, family is eternal.■❤■■

She will be keeping a watchful eye on her family from heaven and she will still be there for her family love and comfort she will always give.
