May you be in God's rest now. I Am so happy to know that you're reunited with your twin sister, my mother, and your brothers and parent. With love from Troy Jenifer Lauren and Reagan.

- Troy Winger

Oh my beautiful sister, words can not begin to say the love I have for you. I am deeply sorry for your loss. Just know He is in Our Father in Heavens arms. He is free from pain and all ailments. I know he truly loved you with all his heart. You will be with him in our next life. I love you Pogie
