Our hearts go out to the Barlow family. Without a doubt Eslie left this earth a much better place than when he found it. His word was everything to those that knew him. He is in our prayers with love.

So sorry for the loss of your father, grandfather and friend. I will remember him as a very colorful personality with strong opinions. He was a good friend to my late husband.

- Diana Millsap

What to say about Eslie. He was a man after God's own heart. A deeply complex and magnificent man. He was the wisest man I'll ever come to know, I'm absolutely sure of it. He had this stern, but all encompassing love that really made you sure that he cared about everyone so unequivocally to life. He was a dedicated scholar and I adore that. God imparts the wisdom on the elder and boy was he the eager epitome of creation and preparation for the fight ahead. Even if we didn't always have the same views, more often than not, we shared a deep and honest friendship that truly made me feel like I finally belonged in a place. His honesty and dedication was something to marvel. He truly cared about what was going on around him, god bless his soul. His love for my children also his grandson Zael Robert Artimus Barlow, was humbling and helped me grow as a mother. I never felt short of his daughter. Thank you for the absolute journey these last couple years. You've blessed my children and I in ways that will impact future generations and we're all better for having known you, Dad. Uncle. Grandad. Friend. His Dad came and picked him up. Praise God. Words truly do not suffice for a man like Eslie Olsen Barlow. Fly High.

I'll miss your fierceness, your love for the simple things, and your passion for freedom. Sayings that last in my mind: Pigs get fed, hogs get slaughtered You have to buy your freedom There is only one God- be weary if anyone who tells you anything different. He always challenged us to think. He taught me how to go all in. He knew the difference between being nice, and loving others.

- Your Nephew, Tom Barlow

Sorry for your loss Albert Eslie and to your family.
