I remember him well. A great teacher!

Gene was very kind and generous. He spent a lot of time and energy to produce music on Cd's for us and others, without compensation. He also found and purchased paneling at a sale and gave it to us. also refrigerant for our car worth lots more than the \$10.00 he charged us. He was a good friend as well as a good brother. Years ago we took him Deer Hunting and had a good time. We love his family and have enjoyed card games and lunches together. His wife Beverly is very special to us and others. she is a generous person just like Gene. He will be missed. We love you Gene and enjoyed all the years we had with you. Love Ray Nielson brother of Gene and Lila and family.

Chip's class is one of the few I can still close my eyes and picture myself being in. He was a good and patient teacher. Thanks for all your help.
