

Solomon Graham Rico

July 9, 2020 ~ October 28, 2020

Solomon Graham Rico, three months old, passed away Wednesday morning, October 28, after a hard-fought battle. Despite suffering from an irreversible genetic disorder, Solomon had a strong heart and grew well in the early weeks of his life, bringing his family so much joy and light. His big blue eyes with their impossibly long lashes always had a knowing look. He loved watching moving objects, like the ceiling fan, the dog, and especially his big brother Elliot. He adored his mama, Sylvia, but his biggest smiles were generally reserved for his daddy, Lincoln. He is now with his brother Malcolm on the other side of the veil, and we look forward to holding them both in our arms again one day. We love you, angel boy!

A service will be held with the immediate family on Friday, November 6, at 11:00 a.m. Friends are invited to participate via Zoom https://us02web.zoom.us/j/86843481931 or by phone at 1-669-900-9128, meeting ID 868 4348 1931.
