

Eugene Taufer Hansen

August 10, 1925 ~ November 27, 2021

Dear Ann, Larry and entire Hansen/Brasher families, We send our deepest condolences for the loss of a true hero, your father, grandpa, great grandpa. For a man who wore himself out in the service of others. We feel it a privilege to have known and come to love “Gene-o”… he always had a quarter or some candy to disperse! He was always kind, attentive and interested. Joyful and positive could have been his middle names. What a wonderful, loving, man. He had the BEST aphorisms ever. We can’t imagine the reunion in heaven w Dot. Sending all our love. Shirin and Nelson Cannon
