Leslie, Dori y familia, envío mi abrazo y oraciones por ustedes, que Dios fortalezca en este proceso de separación física. Es especial recordar los momentos vividos con mama, con abuelita. Paz

Gene was one of the first people I met when I began attending Orangewood Presbyterian Church in 2004. She made a big impression through her knowledge and experience in a wide range of peace and justice issues and guided me toward the work I have embraced ever since. I send my condolences to all her family as I celebrate the life she lived so fully and with gratitude for her caring spirit. Phebe

Dear Leslie and Dottie, I am thankful to have known your Mother. She was so dear and she will be missed. I pray you feel God's love as you grieve. He will comfort you and grant you peace.

Gene was an Elder at Orangewood Pres. Church when I joined in March 1988 and "presented" me to the congregation on the Sunday my membership was made official, along with maybe 10 others. So, my connection with her goes quite a ways back! Little did I know at that time how my acquaintance with the extended family would grow, as I later became a fluent Spanish speaker and met Leslie and Dori "in the field" in our excursions to Honduras and whenever they were back in Phoenix on sabbatical or home leave. It was always a delight to see her in later years on visits back to Phoenix when she would make a surprise appearance at OPC. Our lives were made better by her presence. Un abrazo a Leslie y Dori y todos que tuvieron el regalo de haberla conocido.
