The world has had a light go out. Having been through good times and hard times with Genie, I am thankful for every minute of all of it. Her indominable spirit lives on in every life she touched. Her kindness,creativity, determination, humor and generosity made the world a better place for all of us. Goodbye my dear friend... May peace and joy carry your soul through eternity.

Genie was a spirited, talented and gifted social worker who gave freely of herself to so many. Genie had a unique and special way of making people feel seen and heard. Her laughter will be missed!

Genie was on my staff in Price in the early 1980's. She was one of the best Social Workers I ever had the pleasure to supervise. Her wit and sense of humor made her the life of the party. My deepest condolences to her family.
