I am very sorry to hear of your loss. It is a rough time to see a loved with dementia leave you. You all are in my prayers during this time of adjusting without her presence. Larry Jr. worked with my husband, Lloyd, who passed away two years ago, which still seems like yesterday. Margaret

What a great lady. We are so sorry for your loss. We are grateful for the memories we have of her. She predicted our marriage! Without her we may not have considered the idea! She lived a life of love and service which we can all appreciate. Love, Christian and Alicia Draper

Larry, Larry Jr., Dennis, Karen, Nancy, Mark, Diane, Randy, and Family, How greatly saddened we were to learn of the passing of our dear friend and Emigration Canyon Neighbor, Eula. Her kind, gracious, thoughtful, caring, and loving heart will be so greatly missed by all of us who were so blessed to know her, and to call her our dear friend. Her genteel, warm manner and goodness will always hold a special place in our hearts. We honor you, Larry, as such a devoted, caring, tender, and thoughtful husband, who gently and thoughtfully cared for Eula for so many

years. Please know that we are remembering you all with love and sympathy, Larry, Terri, and Emily Jensen

Mamau's soul shined so so bright. She is an example of unconditional love and genuine kindness. The morning of her passing I felt her presence throughout my classes. When I found out she passed, I was heartbroken but could see that even in passing she is able to touch us all in so many ways. I am so so sorry for your loss. Mamau has left such a great big hole. I see her soul passed to each of her children, grandchildren, and great grandchildren. They show the same kindness, love, silliness, gratitude, compassion, gentleness, and determination. My heart is with all of you as you continue this path of life.

Eula and Larry , what a great couple and wonderful people that they both are. They set great examples for all those around them. "Salt of the earth "type of people. Eula was always so friendly open and cared about the type of person you were. She wanted to help you become your best self. Example she set for those around her was exemplary, you just wanted to spend more time with her. She was like a mom to us, always concerned about how we were doing and how life was treating us. Still amazes us that she recovered so well from that disasterous fall. I'm sure that she is enjoying seeing her family again and other loved ones. " Of all we know of life and death, we know that at death life continues for those who have passed on and those who have stayed behind". We wish the family the best in these difficult times. Thoughts and prayers are with you, Joe & Bonnie mirci
