Eva Elaine has always been a big part of my life for over 40 years I was married to her brother who has since passed away she was the most wonderful caring Person always helping everybody . I will miss her forever . We use to call her “ Eva Elaine from Spain” Good bye honey and God Bless you

My sincere condolences to all that my Aunt Eva touched with her smile and caring ways. She always made a fuss over me like all the kids in her life. I’ll never forget the adventures we had together on the road in our motor home visiting family all over this country. Her laughter was infectious, and she just loved my dad so much. Watching him play little jokes on her were the type of memories that remind me I was raised with a happy upbringing. She often reached out and always sent cards for the Holidays. I hope she is up there with Boliver and my dad smiling and looking down on us. Love you Aunt Eva.

Elaine was a special person to me. Even though we weren’t biologically related, she always supported me in the big events in my life—graduation, bridal shower, wedding, and thoughtful gifts when my babies were born. She continued to send hand-written Christmas cards over the years, which I’m going to miss. Biology didn’t matter to her, she was everybody’s grandma.

Elaine, Thank you for being such a good person to me during my first months in Utah and my new life in the US when I was living at your house. You were such a sweet person. I hoped you met Oscar and Buddy at the rainbow bridge. Rest in peace. Love.
