I just loved your mom she was always dressed so beautiful. I loved to hear her talk. I used to work at the Tally Ho Cafe in Logan. I loved when your mom and dad would come in. I would get to wait on them. She always remembered me and made me feel good even when I hadn't seen her in awhile. She was a very lovely lady and will be missed Jan Yeates

John, Thomas, Robert, and Eva, I adored your darling Mom and am so sorry for the loss to your family. Knowing her and your Dad most of my life, I have many delightful memories of them and I will always hold those memories close to my heart. They brought new experiences to a shy little two-year-old girl that are priceless and could never have been gained any other way. Sending love to you and yours, Wee Julie
