We will cherish the moments we spent with sweet Evangeline. Her blue eyes, silly faces, and tousled hair. Her fights with brother; when we played in the sand or at kidstopia, when she came over for playdates, fun and snacks. Her easy to put on shoes.... And her blanket! She is loved by many and will keep living in our hearts ■ She brought light, love and joy in the lives of many and will keep doing that in the spirit world. Time might seem long before you meet again but eternity will be way longer! We love you guys and are here for you anytime! The Garaix
