I am so very sorry to hear of Colleen's passing. It has been so many years since I have seen all of you. My prayers are with your family at this heartbreaking time.

Didn't get a chance to meet this lady but I wanted to send my deepest sympathies to Lori& her entire family. From what I've seen, she must have done a solid job raising her daughters, as Lori has turned out to be a loving mom& partner. My beautiful Lori, our thoughts& prayers are with you through this trying time. Love, Kirk
