Dear Otto, Kathy, Ian and family. I am so sorry for your loss. For the first 23 years of my life Eba was my biggest cheerleader, now she is my angel. I will miss her so very much. I hope you all find comfort in her memories, and remember now you have an angel looking over you at all time. Love Debbie

Ian & Stephanie, I am so sad to hear of the passing of Evy. We were so grateful to get to know her, here her stories you shared and we know that she was such a huge part of your life. Sending you all so much love.
