

Evelyn Erna (Schmidt) Pollaehne

November 11, 1936 ~ April 30, 2024

Brad and I enjoyed knowing Evelyn throughout the years in our ward and neighborhood. She was a fiercely independent woman after Horst passed away. She was so loyal to her principles of what was right or wrong and what was acceptable. She showed great determination to have a beautiful yard and a clean home and insisted on making loaves of Christmas bread for the holidays which she generously shared Her music greeted everyone as they entered a church meeting, and brought the spirit with it. We loved Evelyn and learned so much from her.

We used to have so much fun together when she lived a short time in California. We loved to hear her laugh and stories she would share with us. She was loved by so many she will be missed. Rest in peace ❤■

The service was lovely. It was evident of the love and admiration Aunt Evelyns family has for her. I remember how proud she was of her Schmidt nieces and nephews. Through the speakers words I was reminded of many treasured memories and learned so many more aspects of my Aunt Evelyn personality. May the knowledge of the Plan of Salvation be a comfort for those of us who will miss her.
