A smile that would light the room and a heart of unbridled fun and joy. Thank you Michael for sharing a thrilling ride in your GTO, to giving us all nicknames. My mum always had a special place for you in her heart and I know she was standing at heavens gate to welcome you home. All my love to the family and may peace be with you. Love, Michaela

RIP Mike. I know that you had no enemies and were loved by so many. It was wonderful seeing you at the last reunion and I still use the speakers that you gave me. We go back a long way and I will never forget you. Heaven has a new angel. Forever in my heart, Debbie Smith Johnson ♥■♥■♥■

Mike you have been our life long friend. Life will not be the same without you in it. We have so many memories of good times with You , Rusty & I. We have been best friends since Canyon High School. So many memories going through pictures of our adventures. You & Rusty travelled europe together. You came to visit us everywhere we lived. Lots of fun times water skiing on Clear Lake. We were at your wedding reception in Santa Barbara. We all went on a rafting trip on the Middle Fork of the Salmon River. We made several trips to your beautiful beach house

on the tip of Baja. Aptly named Casa Tranquilla. Went to the SLC Olympics together & shared lots of family times together watching our children grow. I will share some pictures of some of our adventures. We are SO, SO sad you are gone. We will love you always. You were more than a friend. We have been like family. Our deepest sympathy to Melissa, Brittany, Dawson & Jenna. We are here for you if you need anything.

- Wendy Shelton

Rest in peace old friend. May God's peace and consolation be with your family.

Mike, your smile brightened our lives. You were a friend to so many. While we will miss you here, Heaven has gained a man that loved, laughed and gave us his time and friendship. May God bless your family through this very difficult time. You will be deeply missed.
