Oh, how I love that smile! We will miss seeing her smile and feeling that warm welcome she always had at the ready! Michael and Stephanie, we love you! Now we won't have AnnEtta keeping us up on you, we'll just have to be good at keeping in touch. She was so proud of you! ■

Annetta, was a very good friend and neighbor, she would call to say hi and she how things were going, especially after mom past. She is my last original senior neighbor. I remember working with Ann Etta at LDS Hospital. She was a lovely person and an excellent nurse! She touched many lives with her wonderful care.
