Felix Edward Jensen

March 29, 1936 ~ December 23, 2023

I worked with Felix at State Farm for many years. I enjoyed those years and enjoyed Felix talking about his children. He loved his family. He was a true friend and I our friendship

To the Jensen Family, We are so sorry to hear of Felix’s passing. It has been a few years since he and Greta lived west of us in Granite. Felix and I had many good talks across our horse fence. He had a rough exterior, but was quite the teddy bear on the inside. Felix always had a very practical approach to life, something I always admired in him. I know he is grateful to finally be reunited with his dear Greta. May your family find comfort and strength in this difficult time. The Scott Family
